RO // STRONG & DURABLE OAK

In de trendgevoelige interieurbranche blijft eik een sterkhouders. De natuurlijke, authentieke uitstraling van het materiaal geeft moeiteloos klasse aan elk interieur. Eik laat zich daarnaast graag bewerken en is bovendien geschikt om te kleuren, roken of branden om zo de gewenste look te creëren.

In the trend-setting interior design industry, oak remains a stronghold. The material's natural, authentic look effortlessly adds class to any interior. Oak is also easy to work with and can be coloured, smoked or burnt to create the desired look.

CO // THE BEAUTY OF CERAMICS

De keramische tafels uit onze CO-collectie zijn samengesteld uit een hoogwaardig keramieken blad en een stalen poot. De bladen kenmerken zich door een luxe uitstraling met prachtige marmerlooks. De combinatiemogelijkheden zijn zeer uitgebreid. Voor zowel het blad als het onderstel zijn verschillende vormen, kleuren en afwerkingen mogelijk.

The ceramic tables from our CO collection are composed of a high-quality ceramic top and a steel leg. The tops are characterised by a luxurious appearance with beautiful marble looks. The combination options are very extensive. Various shapes, colours and finishes are possible for both the top and the base.

SOLID AND REFINED

De keramische bladen zijn vervaardigd uit 100% natuurlijke en milieuvriendelijke materialen. De klei wordt onder extreem hoge druk geperst voordat deze op hoge temperatuur wordt gebakken. Hierdoor ontstaat een licht materiaal dat ook nog eens absoluut sterk is. Daarnaast ziet het bewerkte keramiek er erg mooi en strak uit.

De keramische tafels zijn bestand tegen krassen, chemicaliën en alkaliën, hitte, vorst en UV-stralen. Ze zijn ook heel gemakkelijk schoon te maken.

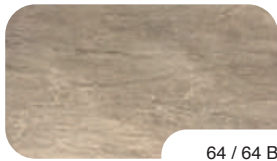

The ceramic table tops are made from a 100% natural and eco-friendly material. The clay is pressed under extremely high pressure before it is fired at a high temperature. This creates a light material that is also absolutely strong. In addition, the processed ceramics look very nice and sleek. The ceramic tables are resistant to scratches, chemicals and alkalis, heat, frost and UV rays. They are also very easy to clean.

Your table – your choices

Afhankelijk van de grootte van het blad bieden wij een ruime keuze aan kleuren in een matte, glanzende (B) of semi-satijne afwerking. De bladen bestaan in verschillende vormen, die gecombineerd kunnen worden met meerdere ontwerpen van stalen poten. Ontdek de mogelijkheden op p. 282.

Depending on the size of the top, we offer a wide choice of colors in a matt, glossy (B) or semi satin finish. The tops come in different shapes, which can be combined with multiple designs of steel legs. Discover the possibilities on p. 282.

Choose wise

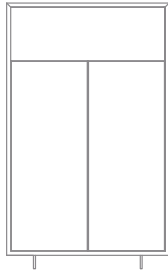

Bij het inrichten moét je nadenken over opberging. Traditioneel heb je die namelijk nooit genoeg. Hoe zorg je ervoor dat het geheel niet te zwaar wordt in kleinere ruimtes? Ga voor een exemplaar op pootjes. Kies een cabinet dat niet te hoog is en plaats twee identieke stukken naast elkaar in de plaats van één groot exemplaar.

When furnishing your home, you have to think about storage. Traditionally, you never have enough. How do you make sure it doesn't get too heavy in smaller rooms? Go for one that stands on legs. Choose a cabinet that is not too high and place two identical pieces next to each other instead of one large one.

Iron & wood

De combinatie van hout met zwart metaal blijft een toppertje, ook als het gaat over eettafels. Metalen poten accentueren het natuurlijke karakter van het eiken blad.

The combination of wood and black metal stands the test of time, and this is also true for dining tables. Metal legs beautifully accentuate the natural tabletop.

Het massief eiken blad van de dining table Dorin is maar liefst 6 cm dik en komt het mooist tot zijn recht in een ruwere afwerking. Hier werd gekozen voor een 'rustic wood selection', opgevuld met mastiek.

The solid oak top of the dining table Dorin is a stunning 6 cm thick and looks best with a not-so-perfect finish. Here, we opted for a 'rustic wood selection', filled with putty.

Mix & match

De combinatie van verschillende materialen lijkt misschien wat gedurfd, maar niets is minder waar! Eens samengesteld, zijn ze onafscheidelijk. Vraag advies over de mogelijkheden.

The combination of various materials may seem risky, but just look at how it pays off. Once gathered, they are inseparable! Ask us about the possibilities.

Contrasting textures

Dankzij het handmatige aanbrengen van mortex ontstaan er unieke texturen. Dit resulteert in een half-mat oppervlak, dat hier mooi contrasteert met het tapijt.

The manual application of mortex creates unique textures. This results in a semi-matt surface, which contrasts nicely with the carpet here.

Marmar is een natuursteen, dat door geologische processen eeuwenlang werd 'geboetseerd'. Elk blad is hierdoor anders en uniek. Het intrigerende spel van kleuren en adering is dé troef van marmar.

Marble is a natural stone, which has been 'sculpted' over centuries by geological processes. As a result, each sheet is different and unique. The intriguing play of colours and veining is marble's trump card.

Een set van twee bijzettafels staat altijd mooi naast een sofa of seat. Ze vormen samen een kluster en zorgen voor wat pit in het geheel. Ook een leuk effect bekom je wanneer je één of twee tafeltjes combineert met een pouf.

Naast comfort mag een stoel best wel de nodige flair hebben. Een eettafel komt pas echt tot leven wanneer de stoelen eromd zorgvuldig zijn uitgekozen qua vorm en bekleding.

A chair should be comfortable and add some flair. A dining table really stands out when the chairs around are carefully selected for their shape and upholstery.

Eenvoud siert! De 'minimal trend' is nog steeds upcoming en is veel breder toepasbaar dan de reeds langer populaire Scandinavische woonstijl.

De massief houten stoelen zijn mooi te combineren met materialen als keramiek, marmer, microtopping of hout.

Simplicity rules! The 'minimalism' trend is still a rising star, and much more versatile than the Scandi style that has been popular for some time.

The solid wood chairs are easy to combine with materials such as ceramics, marble, Microtopping, or wood.

A pouf is always a good idea

Net op dat ene plekje in de keuken, op de kinderkamer of in combinatie met je salontafel. Een pouf is een onmisbaar element in huis. Gebruik hem als voetenbank op een luie zondagmiddag. Heb je mensen over de vloer? Gebruik de pouf dan bijvoorbeeld als bijzettafel of extra zitplek.

Just in that one spot in the kitchen, in the children's room or in combination with your coffee table. A pouf is an indispensable element in your home. Use it as an ottoman on a lazy Sunday afternoon. Do you have people over? Then you could use the pouf as a side table or an extra seat.

Amazing grace

De genialiteit van een ontwerp, hoe verschillend ze ook zijn, zit in zowel de eenvoud als in de details. In dit geval zorgen de fijne poten voor een elegante en luchtige look.

The genius of a design, however different they may be, lies in both simplicity and details. In this case, the delicate legs create an elegant and airy look.

Een robuuste, landelijke eettafel is een echte eye-catcher in huis. In deze setting draagt de zwarte afwerking, in combinatie met stoelen in lederlook, een stalen hanglamp en betonnen vloer bij tot een ietwat industriële sfeer.

A sturdy, country-style dining table is a real eye-catcher in your home. Here, the black finish, combined with leather-look chairs, a steel pendant light and concrete floor, creates a hint of industrial style.

SOFA SETUPS & OPTIONS

De sofa's uit onze collectie hebben, afhankelijk van de leverancier, bepaalde mogelijkheden tot maatvoeringen en samenstellingen. Graag lichten we dit toe aan de hand van technische fiches.

Depending on the supplier, the sofas in our collection have certain possibilities in terms of dimensions and compositions. We would like to explain this by providing technical data information.

De sofa die het nodige comfort biedt, past in je interieurstijl én qua verhoudingen klopt, dat vraagt enig voorbereidend werk.

Een groot deel van onze sofa's kunnen helemaal op maat gemaakt worden, in een stof naar keuze. Dit zorgt ervoor dat er creatieve oplossingen kunnen gezocht worden, op maat. Andere modellen bieden dan weer verschillende maten aan, om ook zo tot een gewenst resultaat te komen.

A sofa that offers the necessary comfort, fits your interior style and has the right proportions requires some preparatory work.

Many of our sofas can be made entirely to measure, in a fabric of your choice. This allows for creative, tailor-made solutions. Other models offer different sizes, to achieve the desired result.
